

PROGRAM SCHEDULE

Two-Week Training Program on Research Design for
Faculty Members at Dev Sanskriti University Haridwar (DSVV)
12-27 April 2009, Venue: Committee Hall, DSVV

Facilitator / Resource Person:

Dr. Thaneswor Gautam, Executive Director,
Social Science Research Foundation (SOSREF),
Kathmandu

Participants:

Faculty member and researchers of
Dev Sanskriti University (DSVV)

Sessions:

- 1. Opening Ceremony, Faculty Meeting, Need Assessment, and Planning Session**
Approaches: Formal delivery, interactive discussions, live reporting, and video clip
Session Date and Time: 12 April 2009, 16.00 to 17.30 Hour
- 2. Research Philosophy and Approaches, Paradigm Shift in Research Methodology**
Approaches: Slide presentation, Individual opinion pooling, Brainstorming, Video clip, Tips, and Open interactions.
Session Date and Time: 13 April 2009, 14.30 to 17.00 Hour
- 3. Understanding Theory, Concept, Construct, Variables, and Items in Multi-disciplinary Research**
Approaches: Mapping, Slide presentation, Role Play, Tips, and Participant's Presentation.
Session Date and Time: 14 April 2009, 14.30 to 17.00 Hour
- 4. Multi-Method and Mixed-Method Research Approaches**
Approaches: Interactive lecture with presentation, Quiz, Tips, and Appreciative inquiry.
Session Date and Time: 15 April 2009, 14.30 to 17.00 Hour
- 5. Career Planning and Identifying Research Issues in Interdisciplinary Research**
Approaches: Interactive lecture with presentation of resource person, Exercises, Tips, and Nominal Group Technique.
Session Date and Time: 16 April 2009, 14.30 to 17.00 Hour
- 6. Literature Review with Referencing-Citation**
Approaches: Presentation, Exercises, Demonstrations, Using computer application, Tips, and Assignments
Session Date and Time: 17 April 2009, 14.30 to 17.00 Hour
- 7. Writing the Review Paper and Peer-Review**
Approaches: Interactive lecture, Learning games, Practicum, Paragraph writing, Tips and Assignments
Session Date and Time: 18 April 2009, 14.30 to 17.00 Hour
- 8. Proposal Writing Skill**
Approaches: Facilitation, Group exercises, Tips, and Participants' presentation.

Session Date and Time: 20 April 2009, 14.30 to 17.00 Hour.

9. Research Design

Approaches: Facilitation, Exercises, Nominal Group Technique, Tips, and Discussions.

Session Date and Time: 21 April 2009, 14.30 to 17.00 Hour.

10. Methodological Issues

Approaches: Interactive lecture, Open Interactions, Tips and Assignment.

Session Date and Time: 22 April 2009, 14.30 to 17.00 Hour

11. Analytical Design

Approaches: Presentation, Demonstrations, Brainstorming, Tips, and Problem Solving.

Session Date and Time: 23 April 2009, 14.30 to 17.00 Hour

12. Designing Instruments and Administering

Approaches: Presentation, Role play, Tips, and Participants' presentation

Session Date and Time: 24 April 2009, 14.30 to 17.00 Hour

13. Quantitative and Qualitative Data Generation

Approaches: Practicum, Group works, Tips, and Presentation

Session Date and Time: 25 April 2009, 14.30 to 17.00 Hour

14. Data Tabulation, and Analysis Using Computer Applications

Approaches: Demonstration, Practicum, Tips, and Assignments

Session Date and Time: 26 April 2009, 14.30 to 17.00 Hour

15. Report Writing, Presentation, Feedback, Evaluation, Future Planning, and Closing

Approaches: Demonstration, Open Feedback, Questionnaire Survey, Tips, and Brainstorming

Session Date and Time: 27 April 2009, 14.30 to 17.45 Hour
